**27th July 2006** — PowerHealth Solutions has announced that it will be a major sponsor for Cee-Line Motorsport in the 2007 Formula Ford Championship to be held in Melbourne in March 2007.

Formed in 2005, Cee-Line Motorsport combines the professional engineering and management expertise of ENGMAN Engineering, the engine and car preparation skills of Marion Motors Motorsport and the driving talents of Trent Ulmer.

Cee-Line Motorsport and Trent Ulmer are looking good for their national series debut, in a 2006 Duratec-engined Spectrum. Cee-Line Motorsport Team Manager, Trevor Pound said, *We are confident the team will be very competitive with our new car in the 2007 Australian Formula Ford Championship.*

Trent Ulmer, 26, is a professional advanced driving instructor and has 18 years continuous race driving experience. Driving since the age of 8, Ulmer started in Go-Karts and progressed through Super Karts, Formula Vee, GTP Production and Formula Vee 1600, as well a number of rounds in state level Formula Ford.

Since joining the Cee-Line Motorsport Formula Ford team, Ulmer has demonstrated his ability by winning the Formula Ford *Hard Charger* award at the 2005 A1 Grand Prix of Nationals event at Eastern Creek. He will now focus his energies on competing against some of the country's most talented racing drivers.

PowerHealth Solutions director Paul Venables is a long time racing enthusiast and president of the [Open Wheel Race Car Club](#).
